

## Section 7: Target Practice

### Exercise 24

#### Creating a Spending Plan:

A spending plan has two major categories: money in and money out. Your creativity comes into play when making *money in* greater than or equal to *money out*. For now, focus only on *money in* by listing your monthly sources of income. We'll deal with money out later.

#### Money In:

<u>Describe</u>	<u>Amount</u>
1. _____	\$ _____
2. _____	\$ _____
3. _____	\$ _____
4. _____	\$ _____
5. _____	\$ _____
6. _____	\$ _____
7. _____	\$ _____
<b>TOTAL</b>	\$ _____
